

SAC Post

A quarterly round up from Sponsor a Child USA
September 2026

Paving the way for bright futures

Dear donors and volunteers,

Education is more than a classroom, a textbook, or a qualification - it is a pathway to possibility. At **Sponsor a Child (SAC)**, we believe every child deserves the opportunity to learn, grow, dream, and build a future filled with promise.

This edition of the SAC Post celebrates the many ways our collective efforts are helping make that vision a reality. From the curiosity and confidence sparked through our Anubhuthi STEAM (Science, Technology, Engineering, Art, & Mathematics) camps to the meaningful contributions of donors and volunteers, each story is a reminder that education can transform not only individual lives, but entire communities.

As we look ahead to the 2026–27 academic year, we are preparing to welcome a new group of students into the Sponsor a Child family. Behind every application is a child with aspirations and a family hoping for a brighter tomorrow. Your continued support helps turn those aspirations into opportunity. We are also reminded that impact takes many forms - from a community coming together through cultural events, to families turning personal milestones into moments of giving, to supporters championing better education, hygiene, and opportunities for girls.

Thank you for being an integral part of this journey. Together, we are not simply supporting education - we are opening doors, nurturing potential, and paving the way for brighter futures.

Yours sincerely,
SAC Executive Team

Anubhuthi Camp 2026 Building skills. Strengthening values. Creating impact.

Anubhuthi STEAM (Science, Technology, Engineering, Art, & Mathematics) Camp, August 1-2, Tripura

Anubhuthi 2026 was designed as a two-day experiential learning journey that moved students beyond the boundaries of conventional classroom learning. Conducted at **Sadhak Ratanmani Vidyalaya, Anandabazar, Kanchanpur, North Tripura**, the workshop encouraged self-discovery, human values, design thinking, STEM, emotional wellbeing, leadership, and creative expression. Attended by **61 students from three schools** in Anandabazar, the camp created a space where learning was not something students simply received, it was something they experienced. Students began by looking inward: understanding their strengths, aspirations, and emotions. They then moved outward, learning to listen, empathize, work with others, and understand the problems around them. Through Design Thinking, STEM challenges and innovation activities, they were encouraged to question, experiment and create rather than simply find the “right answer.”

Anubhuthi STEAM camps are flagship and the most awaited annual event for young minds, offering immersive workshops that spark curiosity, build confidence, and develop creative thinking, communication, collaboration, and social responsibility. This camp was second in the series of camps Sponsor a Child organizes. We held a [four-day residential camp from May 4-8, 2026 in Vikarabad, Telengana](#). The camp was attended by 60 students from Telangana. [Catch the glimpses from the Tripura camp in the video below.](#)

Beyond the classroom, every moment became an opportunity to discover, connect and create.

And somewhere between the questions, laughter and ideas, something began to change.

Chapter Spotlight

New Jersey hosts the 3rd Annual Rhythm4Sewa

The Sewa North Jersey Chapter successfully hosted the 3rd Annual Rhythm4Sewa on April 26, bringing together the community through music, dance, and the spirit of service. The event raised \$4,700 through ticket sales and received an enthusiastic response from attendees, participants, and supporters. The event was further honored with a proclamation from Randolph Township, recognizing Rhythm4Sewa’s contribution toward building a stronger community through service, compassion, and meaningful engagement.

The leadership team played a phenomenal role in organizing the event and creating a memorable evening for the community. Participating dance schools appreciated the platform and expressed their interest in returning next year.

Beyond entertainment, Rhythm4Sewa made a meaningful impact by supporting Sponsor A Child, Sewa International’s initiative to transform the lives of underprivileged children. The event showcased the power of community, culture, and service coming together.

Donor Spotlight

Compassion in action - Enhancing hygiene and education in GSS Chitolli in Viratnagar, Rajasthan

Long time supporters of Sponsor a Child, **Shri and Shrimati Shailesh and Dimple Agarwal** were on the ground at the inauguration of the newly constructed toilet facilities at GSS Chitolli, Viratnagar. They were in Viratnagar to support Sewa International's SHE - Sanitation, Hygiene And Empowerment Project for the Girl Child.

They have dedicated themselves to breaking down barriers to education, offering financial support to create lasting change in the lives of underprivileged children across India. We are greatly indebted to them for their efforts that enables us to create opportunities for people to move forward with greater confidence and dignity.

At the inauguration, children participated in various other activities- an Environment themed painting competition, a yoga workshop to enhance personality, promote good health and self- improvement. The event included distribution of SHE Flow Kit containing reusable sanitary napkins and essential hygiene materials to 65 adolescent girls.

Generosity in action - A silver anniversary celebration that gives back

A beautiful milestone became an opportunity to make a difference as **Dr Vikas Jain and Dr Rashmi Jain** from Cleveland Ohio celebrated their 25th wedding anniversary by supporting children in need. Instead of receiving traditional anniversary gifts, the couple invited family and friends to contribute to Sewa International's Sponsor a Child (SAC) initiative, helping provide underprivileged children with tuition, books, uniforms, and comprehensive educational support. Their thoughtful gesture reminds us that celebrations can be even more meaningful when they are shared with those who need our support. Thank you for turning your special day into an occasion of hope and generosity!

Celebrate life's milestone occasions with us
Give the gift of education and help brighten a child's future

Please consider sponsoring a child's education. Your support makes all the difference...

By sponsoring a child, you become a beacon of hope in their educational journey. Your contribution helps cover school fees, provides access to enriching experiences like Anubhuthi camps, and empowers children to reach their full potential.

>>Celebrate your life's milestone occasions with us:

Drop us a mail at sac-support@sewausea.org with your request to create a fundraiser to mark your event

>>Multiple ways to get involved:

- Sponsor a Child: Visit our [Sponsor A Child](#) page to choose a child to support.
- Share their stories: Help us spread the word by sharing the impact of our programs.
- **Donate:** Your donations directly support the education of underprivileged children.

Together, we can continue to transform lives and build a brighter future for the next generation.
