

ABOUT EDUNATIONS

EduNations is committed to igniting hope in under-resourced communities by comprehensively educating rising generations and to honor Christ in all we do. When boys and girls learn, the lives of their families and communities are transformed. EduNations educates the whole child in mind, body, soul and spirit. This comprehensive education plan is supported by four core pillars of development: intellectual development, physical development, psychosocial development, and spiritual development.

EDUNATIONS.ORG

LOCATION

Avalon Golf and Country Club
1030 Forker Blvd.
Hermitage, PA 16148

TIME & DATE

Monday, June 8th, 2026
Golf: 11:00AM–5:30PM
Dinner & Silent Auction:
5:30PM–8:30PM

GOAL

For 22 years, EduNations has been lighting the way for children in the most remote regions of Sierra Leone, providing access to education where none existed before. Today, over 3,000 students rely on our schools, but long distances and limited transportation make getting there a challenge. That's why this year's golf outing, benefit dinner, and silent auction is focused on Driving Change in Sierra Leone. Our goal is to raise \$50,000 for school transportation, including a bus for secondary students traveling to Rokassa and motorbikes for school principals. Whether you golf, attend dinner, or join the auction, your support helps remove barriers so students can reach school and communities can thrive.
