Parikshit Gowda K

ID: 22/KA/B-475

Score: 89%

Mr. Parikshithgowda K (22/KA/B-475) hails from Anasosalu in Mandya district. He comes from a humble family of four, including his father, mother, and younger brother.

His father is a farmer with no regular income, and his mother, who earlier worked as a tailor, has recently started working as a computer operator in a school, earning a monthly income of ₹10,000. The family owns a small piece of land and a house. His younger brother is currently studying in 9th standard at Madhava School.

Parikshithgowda travels 22 km daily to attend Santhosh PU College in Marigowda Layout, Mandya. Despite not attending any tuition classes, he has shown remarkable dedication and secured 89% in his recent exams. He is currently preparing for NEET and CET exams, aspiring to become a veterinary doctor or pursue a B.Sc. in Agriculture, both of which he is deeply passionate about.

During his school days, he actively participated in sports like cricket and kabaddi, and proudly represented his school at the state level in kho-kho and kabaddi.

Parikshithgowda is driven by a strong desire to give back to society once he begins his professional journey. His entire family expresses heartfelt gratitude to Sewa International for their valuable support in his educational journey.

Kavya Sha Kalimath

ID: 22/KA/G-1436

Score: 89%

Kavya hails from a humble and hardworking family residing in Bangalore for the past 21 years. Her father works as a security guard and earns ₹15,000 per month. Her mother, who used to work in a garment factory earning ₹8,000 per month, is currently on medical rest as advised by the doctor.

Kavya recently completed her PUC with an impressive 89% from Vishwa Chethana PU College — all through self-study, without attending any tuition classes. She is passionate about the pharmacy sector and dreams of growing in this field to serve society. She aspires to dedicate half of her future salary to social causes, highlighting her deep sense of service and empathy.

Kavya is not only academically strong but also talented in extracurricular activities. She has represented at the state level in Mallakhamba and enjoys reading books. Presently, she is actively involved in her school during summer, helping teachers organize camps and sharing her knowledge with younger students. She believes that sewa (service) is not limited to financial help — assisting others in studies and sharing knowledge is equally valuable and fulfilling for her.

The entire family deeply expresses their heartfelt gratitude to Sewa International for their support and encouragement during challenging times.

Gunashree L

ID: 22/KA/G-107

Score: 89%

Gunashree L, a bright and determined young girl from Karnataka, has faced life's challenges with remarkable courage. Four years ago, she lost her father, who worked as a labour contractor, to COVID-19. Since then, her mother has been the sole breadwinner of the family. In addition to the work, mother receives a widow pension under the Gruha Lakshmi scheme. They live in their own modest house and own a small piece of land. With minimal support from relatives, the family has no other source of income.

Despite these hardships, Gunashree has shown exceptional academic promise. She secured an impressive 89% in her PUC, studying at Nuthan PU College, Chitradurga without attending any coaching classes. Her success is a result of her own dedication and hard work, supported by the constant encouragement of her biology teacher, Keerthi Sir, who patiently helped her understand complex concepts. Gunashree is deeply thankful to him for being a guiding light in her academic journey.

Currently, she is preparing for NEET and CET exams, with a dream of becoming a pilot. In her free time, Gunashree enjoys dancing and singing, passions that bring her joy amidst her busy study schedule.

Gunashree and her entire family are deeply grateful to Sewa International for their timely and generous support, which has played a vital role in her education and well-being. The assistance provided by Sewa has brought hope to their lives and strengthened Gunashree's resolve to reach for the skies.

Keerti S Trimal

ID: 22/KA/G-592

Score: 85%

Keerti S. Trimal, a determined student from Hubballi, faced a life-changing loss five years ago when her father passed away due to COVID-19. He used to run a small mobile repair shop, which was the sole source of income for the family. After his passing, the entire responsibility of the household fell on her mother.

Keerti, her mother, and her younger brother currently live at her maternal grandparents' home in Hubballi. Her mother works as a tailor. Additionally, she takes occasional orders for making chapatis and rotis. The family does not have a ration card, and therefore, they are unable to avail of government schemes such as the widow pension or the Gruha Lakshmi scheme. They rely on the support of Keerti's grandparents to make ends meet.

Keerti completed her Pre-University education at KLE Society's P.C. Jabin Science College, Hubballi, and scored an excellent 85% in her final exams. Remarkably, she achieved this without attending any extra classes, preparing entirely on her own. She aspires to pursue a Bachelor of Engineering in Electronics and is currently awaiting her CET results. Her hobbies include playing badminton and reading storybooks.

After the loss of her father, Sewa International extended crucial financial support towards Keerti and her brother's education. The family gratefully acknowledges that without this assistance, they would have had to pledge their gold or borrow money to continue their children's studies.

Karnataka Class 10 Achievers

Yogaraj

ID: 22/KA/B-44

Score: 99%

Yoga Raj's father passed away during the devastating second wave of COVID-19. He worked as a junior advocate. After his passing, Yoga Raj's mother has been working as a yoga teacher in a local school. Additionally, she receives a widow's pension. Yoga Raj's younger brother is currently studying in the 8th grade.

Yoga Raj studied 10th grade at Vijaya Vittala Vidyashala, Mysore. Despite struggling with Physics and Math, he scored an impressive 99% (616 out of 625 marks). To overcome his difficulties, he joined tuition classes where he practiced many preparatory papers, which helped him improve significantly.

Yoga Raj aspires to complete his PUC, crack the CET exam, and join a good college to prepare for competitive exams. Alongside his studies, Yoga Raj wishes to work part-time to support his education financially. He expresses heartfelt gratitude to his tuition teacher, Dinesh Sir, and his language teacher, who continuously motivated him. Above all, he thanks his mother for her unwavering support in all aspects of his life.

Yoga Raj is passionate about yoga and practices it daily. He has also been an active member of Scouts and Guides at school and proudly earned the prestigious Rajya Puraskar award (Tritiya Sopan). In his free time, he loves playing cricket with his friends. Both Yoga Raj and his mother acknowledge that support from Sewa International. Yoga Raj dreams that once he secures a good job, he will give back by supporting more orphaned children.

Bindhushree

ID: KA-G-24-3002

Score: 98%

Bindhu Shree's parents work as daily wage laborers. Despite these hardships, the family's priority has always been education.

Bindhu Shree studied in a government school up to class 7, where she consistently topped her class. Recognizing her talent, her teachers recommended she move to a better school to pursue her potential. With the help of the headmaster of Madhava School and much effort from her parents, she got admitted into an English medium school. However, paying the school fees became a serious concern for the family. They even considered pulling her out and re-enrolling her in a government school due to financial constraints. At this critical juncture, they applied for a sponsorship through Sewa International.

Her hard work and self-discipline led her to an incredible achievement: scoring 615 out of 625 marks (98.4%) in her SSLC exams, without attending a single tuition class.

She has actively participated in state-level science model competitions and quiz contests, even securing a place in the top 10 at the state level. In her free time, she enjoys outdoor games like volleyball and shuttlecock. Today, Bindhu Shree stands as a proud example of what the right support at the right time can do. She says, "Wherever I go, I am recognized and respected because of the education support given by Sewa International. I'm truly grateful. I hope more children like me receive this opportunity, and one day, we too will give back to society."

Janhavi

ID: 22/KA/G-3437

Score: 97%

Janhavi is a bright and motivated student, she studied at Composite PU College High School and scored an exceptional 97% (612/625) in class 10 exams—without attending a single tuition class. Instead, she turned to YouTube to study math, science, and grammar. She credits her mother's unwavering support and encouragement as the driving force behind her success, along with heartfelt gratitude to her Kannada teacher, GV Venkacharya, who strengthened her emotionally during tough times.

In her free time, Janhavi finds joy and solace in learning folk songs, chanting shlokas, and singing bhajans. Now, she has taken up the PCMB stream in PUC, with dreams of cracking CET or JEE, getting into a good engineering college, and building a stable career.

After the untimely death of Janhavi's father during the devastating second wave of COVID-19, the family's life changed drastically. Her father, who worked as a Purohit (priest), was the primary provider and spiritual pillar of the household. Now, Janhavi's mother is the sole breadwinner of the household. She works as a clerk.

Janhavi's mother recalls the moment her husband passed away during the pandemic: "Everything went blank—no income, no family support, no work. But Sewa International stepped in like a ray of hope. They lifted my children's spirits and gave us a chance at a new life."

Jayanth a student of Composite PU College High School scored an impressive 576 out of 625 (92%) in SSLC without attending any tuition classes. He self-studied, often watching YouTube videos for subjects like Math and Science. He credits GV Venkacharya Sir for being a major influence, helping him grow mentally stronger during difficult times.

Jayanth has chosen to pursue Commerc streamin class 11, with a determined dream to become a Chartered Accountant. Aside from academics, Jayanth enjoys sports like volleyball and badminton, and has participated at the district level in volleyball.

Jayanth's elder brother is currently pursuing his degree, while the youngest sibling recently completed her 10th grade with an impressive 97%.

Jayanth's mother often recalls how lost and helpless she felt when her husband passed away. With no income and no support from extended family, she was left alone to care for everyone. She says it was Sewa International's support that became a lifeline. This support helped all three children continue their education and brought back hope to a grieving family. The family expresses heartfelt gratitude to Sewa International for reducing their burden and giving the children the mental space to focus on their studies.

Gagana Y G

ID: 22/KA/G-2251

Score: 91%

Gagana's father, an alcoholic, left the family 11 years ago. Since then, her mother has been the sole breadwinner, working as a security guard in a private company. Despite having a house and land in their native village, the family (Gagan, her mother, and her younger brother, who is currently studying in 9th standard) has been living in a rented house in Bangalore for the past 20 years.

Gagana studied at Vivekananda Kendra Vidyalaya in Kallubalu, Bangalore. Without attending any tuition classes, she secured an impressive 91% in her 10th board exams (572 out of 625 marks). She attributes her success to the unwavering support of her school teachers and her habit of actively asking and clearing doubts in class.

Currently, Gagana is pursuing her Pre-University Course (PUC) at Akshara College in Anekal, Bangalore, having chosen the PCMCS stream (Physics, Chemistry, Mathematics, Computer Science). Her dream is to enter the research field, particularly in ancient Indian mathematics, where she hopes to contribute to unearthing and understanding our rich mathematical heritage. Alongside her academics, Gagan enjoys reading newspapers, researching interesting topics, and dancing.

For the past three years, Sewa International has played a vital role in supporting her education financially. Gagana is deeply grateful to Sewa International and humbly requests continued assistance for this academic year as well.

Janmitha S

ID: 22/KA/G-10445

Prerna DV

ID: 22/KA/G-3241

Score: 91%

Prerana's father is a farmer and her mother a part of the local women's self-help group. They have a small house and some land, but no other income sources. Despite the modest income and simple life, the family has placed great value on education..

Prerana studied in Madhava Vidyalaya, Kergodu, Mandya district, Karnataka. She completed her 10th standard with scores 575 out of 625 marks (91%)—without attending any private tuition. Instead, she made the most of the extra classes at school and always approached her teachers whenever she had doubts. A girl of many talents, Prerana loves playing outdoor games like kabaddi and indoor games like chess. She even secured 2nd place in the kabaddi district-level competition.

Looking ahead, Prerana's immediate goal is to complete her PUC (PCMB) with good marks and pursue her education further. She dreams big but stays grounded in gratitude. "I want to thank all my teachers and friends from the bottom of my heart," she says. "Their support has been a pillar of strength in my educational journey."

Her mother adds with emotion, "For the past three years, we have received educational support from Sewa International. If it wasn't for them, my daughter would have had to study in some under-resourced school, and we couldn't have given her the quality education she is getting today. We are truly grateful."

Manish Trimal

ID: 22/KA/B-455

Score: 91%

Manish a student of Rotary High School, Hubballi, scored an impressive 568 out of 625 (91%) in class 10 exams. While he found mathematics and science challenging, he attended tuition classes and persevered, crediting his success to those who stood by him.

Manish's dreams extend far beyond his present circumstances. He has enrolled in PUC (Commerce - SEBA) with the goal of becoming a Chartered Accountant.

His father passed away due to COVID-19. He used to run a small mobile repair shop— which was the sole source of income for their humble family. After his father's death, the weight of responsibility fell on Manish's mother. She began working as a tailor. To make ends meet, she also prepared chapatis and rotis on order. The family remained outside the purview of vital government welfare schemes like the widow pension and the Gruha Lakshmi scheme. They found refuge and emotional support in the home of Manish's maternal grandparents, where they currently live.

After the loss of his father, Sewa International extended crucial financial support towards Manish and his sister's education. The family gratefully acknowledges that without this assistance, they would have had to pledge their gold or borrow money to continue their children's studies.

Manish and his family express their heartfelt gratitude to Sewa International. Manish says, "Once I get a job, I will give back to society, just as Sewa International supported us during our time of need."

Hasini comes from a humble and struggling family. Her father, who used to work as a vegetable vendor in the local market, sadly passed away due to a health issue one and a half years ago. Since then, the family has been facing many hardships. Her mother, currently unemployed but actively seeking a job, is now a single parent. The entire responsibility of the household is being managed by the in-law's family. They live in their own house and receive a widow pension. The household consists of three members, including Hasini's younger sibling who is studying in 5th grade.

Hasini is a student of Sri Kashyap Vidyaniketan, Visakhapatnam. She scored an impressive 515 out of 600 marks (86%) in her class 10 exams. What makes her achievement even more commendable is that she accomplished this without attending any tuition classes, preparing entirely on her own.

She is now aspiring to pursue Bi.P.C. in Intermediate with a strong desire to become a nurse and support her family financially in the future. In her free time, Hasini enjoys dancing, which brings her joy and relief from daily challenges.

Her family acknowledges with deep gratitude the educational support provided by Sewa International. Her mother says that without this help, it would have been impossible to continue the children's education. Thanks to this timely support, both Hasini and her younger sibling are now able to continue their studies with hope and determination. The entire family expresses heartfelt gratitude to Sewa International for standing by them in their time of need.

In the quiet village of Thaing, nestled in the hills 30 kilometers from Joshimath, Uttarkhand, lives Snehlata—a determined and disciplined young girl whose eyes are set firmly on a brighter future. The eldest of four siblings, Snehlata has always been a quiet force of inspiration in her family.

Coming from a humble background, her father and grandfather are small-scale farmers. Her mother, is an Anganwadi teacher. Despite these modest means, the family has always placed a high value on education. Snehlata's parents take great pride in the fact that they've never had to push her to study. "They've always been self-motivated," her mother says with pride.

Snehlata's academic journey has been nothing short of remarkable. A student of Saraswati Vidya Mandir Inter College, Chamoli, in Joshimath, she has consistently outperformed her peers—topping her school in both 10th (492/500) and 12th (451/500) board exams with an impressive 90% in her 12th standard. What makes this feat even more commendable is that she never attended tuition or coaching classes.

Now, she dreams of becoming a computer science engineer. She has taken a bold decision to dedicate one year to prepare for the JEE entrance exam. Guided by her school teachers and her own inner drive, she is actively seeking the right coaching to begin her next chapter. Through the generosity of Sewa International donors, Snehlata's dreams are no longer distant—they are within reach.
